

Allies Pound At Hitler Line

(Continued from Page One)

strafing the Germans in the battle area, Allied air forces yesterday struck into the Balkans. Heavy bombers attacked the Romanian oil refineries at Ploesti and rail yards in Yugoslavia at Belgrade and Nis, and in Romania at Tumu-Severin. At least 13 of more than 100 German fighters encountered at Ploesti were shot down, headquarters said.

R.A.F. Wellingtons and Liberators attacked points just beyond the battle line last night.

A German broadcast betrayed increasing enemy fears that Fifth Army troops on the Anzio beachhead might begin an attack in an effort to join the main body of the Allied forces in the 114 area 40 miles away, but the Allied command said the beachhead "continued quiet."

Offensive Is Resumed

London, May 19 (AP)—American Fortresses and Liberators and fighter escorts, described officially as a strong force and probably numbering up to 1,500 planes, resumed the Allied aerial offensive after a five-day lapse today and struck at targets in the Berlin and Brunswick areas.

The attack, coming less than 24 hours after Gen. Henry H. Arnold, chief of U. S. Army Air Forces, had declared Germany had not yet seen the full weight of Allied air power, precipitated a running air battle right across Germany to the sky over the German capital, German broadcasts indicated.

The ensuing bombardment—the U. S. Strategic Air Force's 10th attack on the Nazi hub and the third on the capital this month—was so heavy that it disrupted German news broadcasts.

From the R. A. F. and the U. S. A. A. F. Berlin has taken about 45,000 tons of bombs up to today.

Parade Is Biggest

Channel observers said the parade of aircraft setting off for the continent today was the biggest seen during the war.

While the American "heavies" were smashing at Berlin and Brunswick, small formations of Allied expeditionary air forces and R. A. F. Mosquitos, Typhoons and fighter-bombers attacked unspecified objectives in northern France this morning, taking advantage of clear skies to press home the attack.

Tracing the progress of the aerial invaders, the German broadcasts said the bombers swept over the German border, crossed the much-bombed Hannover and Brunswick areas to Brandenburg—in the Berlin area—and finally appeared over the German capital itself.

The American "heavies" last hit Berlin on May 7 and May 8. The R. A. F.'s Mosquitos worked the city over on Tuesday night.

As the high altitude armada swept across Europe the Vichy radio said another air assault on northern France and Belgium—a likely resumption of the attack on the enemy's anti-invasion railroads and airfields—was underway.

The Germans said heavy air battles were being fought as the Americans pierced Berlin's defenses and indicated that the center of battle was over Osnabruck where the "heavies" bombed railroad yards last Saturday in the concluding strike from Britain in the month-long offensive.

Sales Are Approved

Albany, N. Y., May 19 (AP)—State Superintendent of Insurance Robert E. Dineen approved today statewide revision of workmen's compensation insurance rates which he estimated would save employers approximately \$8,000,000 annually. The new schedule calls for an average rate decrease of 7.7 per cent, with reductions in 84 per cent of all classifications covered by workmen's compensation insurance. In the remaining 16 per cent, Dineen said, rates are either unchanged or slightly increased.

Dinner Will Be Held

The State President's dinner of the American Legion Auxiliary will be held at the Governor Clinton Hotel, Saturday evening, 6:30 o'clock. Mrs. Leon Bristol of Syracuse, state president, will attend with several of the other state officers. A county meeting of the auxiliary will be held during the afternoon at the Legion Building.

Shut Out Retires

New York, May 19 (AP)—Shut Out, winner of the 1942 Kentucky Derby for Mrs. Payne Whitney's Greenleaf Stable, has been retired from racing because he had started to bow. The five-year-old son of Equiphase won \$217,507, which he picked up \$234,835 as a three-year-old when he won eight stakes.

Rev. Mr. Bell Resigns

Wakke Is Controlled

Advanced Allied Headquarters, New Guinea, May 19 (AP)—Another lightning stab in Gen. MacArthur's accelerated Philippines-bound offensive today gave the Allies virtual possession of strategic Wakke Island, a potential base for throwing a fighter plane umbrella for bombers over all the rest of Japanese-held northwestern New Guinea.

Battering Halmahera, enemy island guardian between MacArthur and the Philippines, to which he was avowed to return.

Pounding Palau, Japanese naval stronghold along the Carolines approaches to the Philippines.

Increasing bomber blows against the Netherlands East Indies. MacArthur's latest leapfrogging tactics, covered by air and naval bombardment, gave him most of Wakke Island and a quickly widened beachhead on the adjacent Dutch New Guinea mainland within 36 hours, today's communique disclosed.

An American amphibious task force speared hardened 6th Army troops, veterans of the Hollandia-Albair landings less than a month ago, on the mainland beach near Toem, 110 miles northwest of Hollandia, at dawn Wednesday.

By nightfall, they had fanned out up and down the coast for eight miles and taken small Inosomalia Island, southernmost of the two comprising Wakke.

"These landings were unopposed," the communique said.

Rocket Guns Help

Rocket guns and naval guns, bombers and fighters blasted the way for the Yanks coming out of the landing beach.

At last report, the Yanks were running against heavy mortar fire as they fought for the airfield and its 4,700-foot coral runway. Up to that time, they had lost only four men since they hit the beach at Toem. Twenty-eight were wounded. Thirty Japanese were killed.

That airfield in Allied hands will mean that every point held by the Japanese in northwestern New Guinea will be within lighter range.

More important even is the possibility that Wakke may be developed as a base for overwater strikes by Liberators against targets never before within reach of these long-range bomb carriers from southwest Pacific fields.

The Wakke strip was so situated that it could be lengthened to 7,000 feet—enough for Liberators to take off with a full load.

That opens vistas of raids on Palau, 695 miles away; Halmahera, 750 miles away and even the southern Philippines.

Davao, key port in Mindanao, is some 1,100 miles distant. A 2,200-mile round trip is a stiff day's job for any bomber crew. But it's been done by Liberators flying from northern Australia against Soerabaja, Java, and Balikpapan, Borneo.

Harbor Areas Evacuated

Bern, Switzerland, May 19 (AP)—Fearing amphibious attack on the northern Italian coastline, Fascist authorities have ordered the evacuation of the Genoa harbor areas and other coastal towns at midnight Saturday. A Chiosso district to the Neve Zuercher Zellung said today. The whole 30-mile coast line south of Genoa to Mongelina—north of Allied-held Corsica—was included. Among the towns are Pieve, Rapallo, Porto Fino, Sestri, Levante, Lavagna, Chiavari and Santa Margherita. Those failing to leave will be arrested, the dispatch said. Border reports said Partisans in northern Italy had intensified attacks on the Germans and Fascists of Mussolini.

Indictments Are Returned

Albany, N. Y., May 19 (AP)—The special grand jury ordered by Governor Dewey to investigate crime in Democratic Albany county handed up three sealed indictments today. The indictments, hanging in four the total voted to date by the grand jury, were presented in State Supreme Court Justice Forten Smith, presiding at the extraordinary term.

"I thought we were fighting for freedom and equality," said Councillor E. W. Comben of the anti-slots.

Ertel Says He Seeks No Profit In Real Estate Transaction

(Continued from Page One)

Loughran Replies To de la Vergne's Letter on Ertel

Attorney Roger H. Loughran, who represents Frederick Ertel in the matter of having the former VanKleeck garage property on North Front street placed in the industrial zone, has written the following letter to Attorney Charles de la Vergne in reply to the latter's letter published in the Freeman Thursday evening:

Charles de la Vergne, Esq., 277 Fair Street, Kingston, New York

Referring to the North Front Street property matter, in view of the fact that you have seen fit to spread our private correspondence before the public and in so doing have created a false impression, I consider it fair to my client that I take the same steps to make a correction.

In the first place, I did not "request" a price of \$35,000 but by referring to my letter you will see at the outset that this was a proposition which I stated I would be willing to recommend to Mr. Ertel. I had in mind that fact that he might be faced with the expense of moving into the building, moving out of the building, and installing delicate machinery and I also had information as to the probable cost of alterations and improvements to the building which Mr. Ertel had in mind.

Neither Mr. Ertel nor I are asking \$35,000 or any amount. You will recall that both you and Mrs. de la Vergne first called upon me in connection with this movement. At that time, the only impression I gathered was that you did not want Mr. Ertel or any other business in the garage property, you did not want the garage property there and, in fact, wanted nothing but an open space. In an effort to arrive at an understanding, I drafted my letter to you setting out what, as stated, I would be willing to recommend to Mr. Ertel.

Your reply is replete with what you wish to gain from Mr. Ertel but is entirely lacking as to anything which the property owners are willing to offer in the way of supplying his application.

If Mr. Ertel would agree to give an option to you or the people whom you represent, he certainly would be foolish to do so under the terms outlined in your letter where you say that the option might be exercised at any time during 5 years after the end of the present World War. Under these terms, Mr. Ertel might move into the building at this time, within a few months invest a considerable sum of money by way of improvement and then, as soon as the war ended—even within a very short period—you could give notice within six months of that time and Mr. Ertel immediately would have to take steps to vacate, leaving one year in which to seek other quarters.

After all, I think this is a matter which should be, and must be, determined by the Common Council of the City which, in the last analysis, must determine whether the application affects

by us in New York and were brought back to Kingston to their families. Two of these men are still in the employ of the Ertel Engineering Corporation today. It would therefore seem that the special privilege referred to by Mr. de la Vergne granted to Mr. Ertel is not quite in order, and, insofar as the Ertel Engineering Corporation is in our opinion a growing industry, it definitely is in the interest of the City of Kingston to see to it that an industry of this type gets same consideration and the help which other towns would be only too willing to give under the same circumstances.

I have scoured the town looking for a location in Kingston where the plant of the Ertel Engineering Corporation could be located, without success, and the building which we are now occupying, which was offered to the Ertel Engineering Corporation for purchase, was not purchased because it is not suitable, being first of all too small, and, secondly, has wooden floors and should have concrete. These conditions would be easily overcome if the company were permitted to move into the Van Kleeck garage, but if the Common Council, or the people of Kingston, disapproves of the Ertel Engineering Corporation moving into the Van Kleeck garage for a number of years, until such time as they will be placed in a position to build a new plant or secure another plant in Kingston, the company has only one alternative and that is to move the plant out of Kingston.

It is my sincere hope that the Common Council will favor our petition and permit the Ertel Engineering Corporation to remain in Kingston, which without the slightest doubt would be the greatest post-war venture, insofar as the Ertel Engineering Corporation, although today actively engaged in war work, has plenty of orders on hand to be delivered after the war.

The people of Kingston may be assured that, if it is the wish of the majority in the future to turn the Van Kleeck garage property into a park, I or the Ertel Engineering Corporation will be only too glad to cooperate with you to the fullest extent and if necessary become actively engaged in helping to beautify the Senate House property, at no profit to the Ertel Engineering Corporation.

I would greatly appreciate it if you would give the people of Kingston my side of the story.

Very truly yours,

ERTEL ENGINEERING CORPORATION.

Financial and Commercial

New York, May 19 (AP)—It was another case of selective investment demand in today's stock market with rails retaining much of their popularity and scattered industrials registering a fair amount of progress.

Approach of the week-end, as usual, restricted bidding to some extent, but the better part of war news and lack of real invasion liquidation continued to prop sentiment. In addition, the dividend and earnings picture, relatively optimistic, inspired reinforcement of accounts here and there.

Dealings slowed after a moderately active opening. Advances of fractions to a point predominated near the fourth hour.

Tax Bill Passage Is Due in Senate; Is Much Simpler

Washington, May 19 (AP)—The new tax simplifier bill, aimed at setting up the principle of taxation without irritation, moved to the floor of the Senate for passage today.

Already passed unanimously by the House, it is designed to relieve some 30,000,000 taxpayers of the necessity of figuring out formal returns and filing quarterly declarations of estimated income after this year.

While the measure must still go back to the House for approval of Senate revisions, Chairman George (D-Ga.) said changes the finance committee made were purely technical and clarifying in nature.

The bill, which repeals the victory tax and sets up a new system of normal and surtax rates, has two principal purposes:

It modifies the present pay withholding system, effective next January, so as to withhold approximately the full tax liability on salaries and wages up to at least \$5,000.

It provides a simplified tax table for those with income above that amount for others with lower income who prefer to do their own bookkeeping. Simpler processes also are provided for those with income above \$5,000.

IRAK USES "SINK BRIDGE"

Traffic moves along the Shatt al-Arab river near Basra, Iraq, over a bridge that submerges 20 feet. The span is 92 feet long, has a deck width of 35 feet and weighs 35 tons. It rests on girders for road and railway traffic and is lifted off by hoists, from which cables operate over pulleys on overhead steel towers.

The girders are slid back and the span is lowered. When the river traffic has passed the hoists lift the span and the girders are slipped into place.

Art Teaches English

Native recruits for the West African Engineers learn to speak English at Bukuru, Northern Nigeria, by means of drawings.

Fuel Oil Blanks Are Being Mailed Out to Consumers

Albany, May 19.—The new rationing forms for next season's fuel oil ration, containing just six questions for consumers to answer, are being mailed out by the War Price and Rationing Board in the 16 county Albany district. District Director W. H. O. P. A. district director announced today.

It is important that householders fill in the application forms and send them back to their local boards within seven days after receiving them, Mr. Herzog said. The prompt return of these forms

will enable local boards to start issuing ration coupons at an early date and thereby allow early deliveries of fuel oil for next season.

Dealers can give consumers in this area better delivery service throughout the heating year if they can deliver during the summer, the district director pointed out, since it will help them solve their "manpower and delivery equipment" problems. Filling the consumers' tanks will also add appreciably to the total storage capacity in this area and allow more oil to be brought in now for use next winter.

The simple renewal application (O. P. A. Form 1167) is to be filled out only by those whose oil ration last year was for the same address as this year. These may be persons who either are living at

the same address for which last year's ration was issued or who control the oil-burning equipment at that address (as in the case of a landlord). Other consumers not included in these categories will be given a chance to fill out another application later in the season.

The six questions on the simplified form may be filled out in a few minutes, O. P. A. said, and sent back by return mail. Only the first three questions asking the householder to give his name and address, the address where the ration will be used, and the name of the person who applied for the ration for the address last season, need be answered by persons receiving rations for premises other than private dwellings, such as apartment houses and hotels.

The last question will enable local boards to (1) locate last year's file for that ration and (2) see to it that the person filling out the form this year is legitimately entitled to use it. In only two cases may another person than the one that applied last year apply this season: (1) a member of his family and (2) his agent.

Question four on the form asks whether any children under six years of age are living in the home for which a ration is requested. This information will enable local boards to grant additional allowance to provide additional heat needed for the small child. The age limit for the children's extra allowance this year has been raised from four to six.

Local boards will be in a better position to compute the hot water rations based on current circumstances as a result of the proper filling in of question five. This question asks for the type of heating equipment used, the number of people living in the home and the number of months fuel oil is needed for heating hot water.

The last question—question 6—will give boards information as to the type of heating equipment used by the consumer. It has been found that in some cases there has been an over-issuance of oil rations for some types of burners, particularly the portable room heater. By checking the proper box under question six, consumers will enable their local boards to compute an equitable ration for their particular burner.

"Only through the cooperation of all oil consumers will we be able to continue to operate the fuel oil rationing program smoothly and equitably," Mr. Herzog said. "Therefore, we cannot urge too strongly that all householders using fuel oil fill in their reapplication forms as accurately and promptly as possible and return them to their local boards."

Washington in Wartime

—By Jack Stinnett

Washington.—Frequently the states show the federal government the way.

There has been a lot of fussing and fuming lately about what should be done to take care of the boys in the armed services when they come back from the wars. North Dakota decided to try to find out. The Greater North Dakota Association undertook the job.

Sen. Gerald P. Nye has recently brought back from his state preliminary reports on that undertaking. As a state enterprise the methods used and the results obtained are fascinating.

North Dakota, being primarily a farm state, keyed its questionnaire in that direction. Through the G.N.D.A. it went into every one of the state's 53 counties and already has received more or less complete reports from 42 of them. What they did was to contact more than 6,000 North Dakota service men. No effort was made to do it directly, but answers were obtained indirectly through the families of these men.

Exactly 5,053 of those reporting were on farms when they were called to the armed services. But the number expressing a desire to take up farming when they came home is 5,523. Of the first number only 1,575 were working their own farms when they went into service, and only 676 actually owned the land they were working; but 3,393 would like to buy land. The other 2,130 would be willing to rent or work on shares.

To me the most enlightening figure in the report was that the average resources per man (in either cash, bonds or real estate) amounted to \$1,050. That means that on the average, these men don't come back with a lot of money. One of them coming back who couldn't make a down payment on a farm, a home or perhaps buy a car outright. It's a phase of immediate postwar spending (which coupled with demobilization pay would be considerable) that I haven't seen discussed by either industrialists or the federal and state lawmakers.

If the boys in other states compare with the average in North Dakota, that means well over 11 billion dollars in the armed forces savings backlog alone at present and a good deal more than that

PORT EWEN

Port Ewen, May 19.—The annual banquet of the Men's Canteen Bowling Club will be held on Tuesday evening, May 23, at Schoenberger's Hotel on the Saugerties road. Any men who are not members of the club who wish to attend may place reservations with the Rev. George Berens or Joel Kiff by Monday evening. Cars will leave the church at 6 o'clock.

Mrs. Roland Grey and children, Nancy Lee, Roland and Lola of Kingston, are visitors at the home of Mrs. Grey's sister, Mrs. Donald Tinnie. Mrs. William Delaney and son, Jay, were also dinner guests of Mrs. Tinnie on Wednesday night.

The committee for the 10th annual flower and garden products show, sponsored by the Reformed and Methodist Churches, have decided to have it this year on September 7, with the show to be held in the Methodist Church hall and the supper served in the Reformed Church hall.

Miss Emily Card will leave on Sunday for New York, where she will visit her sister, Miss Margaret Card, for a few days.

Waste Paper and Rags
Saturday, May 20, scrap paper and rags will be collected in Wards 10, 11 and 12 by the Boy Scouts. Residents of these wards are urged to place at the curb all waste paper and old rags as every bit of this vital salvage material is needed to help win the war.

Poppy Day Plans Of Legion Ladies Are Announced

Final arrangements have been made by the American Legion Auxiliary for the annual Poppy Day drive, Saturday, May 27. The following committee was appointed by Mrs. Herman DuBois, chairman: Mrs. Joseph Sills, honorary chairman, Mrs. Edward Luedke, Mrs. Mary Dulin, Mrs. Carl Stude, Mrs. Raymond Woodard, Mrs. Culver Ten Broeck, Mrs. Victor Osborne, Miss Grace Sills, Mrs. William Mellert, Jr., Mrs. John Waterman, Mrs. Roy Myers and Miss Margaret McManus.

The official Legion Auxiliary poppy, with the white tag instead of the yellow tag of former years, will be on sale starting May 24. An entirely new type of poppy is being used this year and the auxiliary reminds the public that although some of the flowers may be rather crudely made, perhaps the hands that made them lost their skillfulness fighting. Poppies are made for this campaign by

hospitalized veterans of World War I and War II.

The prize winning Poppy Day posters made by students of the Myron J. Michael and Kingston High Schools will be on display soon in the window of the Central Hudson Gas and Electric Company. The awards for the posters, consisting of \$5 and \$2.50 defense stamps, were presented by Mrs. Culver Ten Broeck at the M. J. M. School, Wednesday, to

Levan Merrihew, first; Miss Rita Larsen, second, and Miss Marilyn Port and Richard Newman, honorable mention. The high school awards will be made at assembly Friday will be presented to Robert Zehnder, first; Egbert Howland, second; Edwin Doyle and Samuel Cerasaro, honorable mention.

Arnold Says Big Attacks by Planes Are Not at Peak

Washington, May 19 (AP)—To the surprise of many, the German bomber offensive, which today from Gen. H. H. Arnold today that these air attacks, which they are, have yet to reach their peak.

In his first press conference in a month, the commanding general of the air forces present at a press conference yesterday, Arnold said that the organization of 20,000 officers and men which he said is an impressive record of achievement.

"I don't know what an air force is," said Arnold. "There has been an air force conference in the world before—an air force that had the power that we now have to use against Germany."

"Can we knock Germany out of the war? Can we break the morale of her people? I don't know. I don't believe anybody else knows. However, we hope to get a pretty good idea of what can be expected in future air operations."

Arnold used a map, a chart, a prepared statement and offhand answers to present this summary.

In all theatres, from the start of the war to May 15, the army air forces flew 746,353 sorties, dropped 468,391 tons of bombs, destroyed 20,174 enemy planes, destroyed 4,997, and damaged 6,978, while losing 6,154.

Army planes sank 320,489 tons of Japanese shipping in the first four months of this year.

NEW PALTZ

New Paltz, May 19—Miss Bernice Brannen, daughter of Mrs. Janet L. Brannen of New Paltz, has successfully passed aptitude tests for the Cadet Nurses Corps. Miss Brannen expects to leave for Hartwick College, Oneonta, New York, July 17, to begin training. She is a sister of Technical Sgt. Everett L. Brannen, who was reported missing in action since June 28, 1943. Another brother, Pvt. George B. Brannen, is attached to the motorcycle division at Atlanta, Ga. Miss Brannen is a graduate of New Paltz Central High School, class of 1942, and is employed in the law office of Peter H. Harp, New Paltz.

Thomas B. Pallus, S. 1/2, U. S. Navy, is enjoying a seven-day leave at home with his mother, Mrs. Josephine Pallus.

Miss Anne T. Eaton of New York city, who is well known for her reviews of children's books in the New York Sunday Times, has purchased the LeFevre house on Prospect street, New Paltz. Miss Eaton has been associated with the Lincoln School of Teachers College, Columbia University, for more than 20 years. She will retire next year and make her home here.

Mr. and Mrs. S. Arthofer were called to New York last week to attend the funeral of his father. The Rev. John W. Follette is having the well on his property on Huguenot street, restored to its original state.

Pvt. George L. Smith of Poughkeepsie, formerly of New Paltz, who entered the service February 22, 1943, and received his basic training at Ft. Ontario, and who is now stationed at Camp Upton, where he is attached to the military police, has been visiting his wife, the former Miss Matilda Turner, also of New Paltz, and his little daughter, Rosanna. Pvt. Smith is a son of Mr. Walter Smith and the late Mrs. Smith.

His younger brother, Ensign Albert D. Smith, is in the U. S. Maritime Service.

Mr. German of New York city spent the past week at his farm in Putnam.

Through the efforts of one of the seniors an honor roll committee was recently formed at New Paltz High School. The purpose of this committee is to raise funds to purchase an honor roll plaque for the high school on which the names of all students who leave school to join the armed forces of our country may appear. At the first meeting of the committee Monday two members from each class were elected. They are Edward Elms, president, and Helen Elms, vice president, from the junior class; Marguerite Ashton, treasurer, and Paul Donahue, sophomore; Alice Frazier and Ernest Schaffert. The committee has already raised some money toward this cause.

A meeting of the Spotters Refreshment Class was held at the vandenBerg School of Practice Tuesday evening.

Catholic Editorial

Criticizes Orlemanski

Boston, May 18 (AP)—An editorial appearing in tomorrow's issue of the Pilot, official organ of the Boston Roman Catholic Archdiocese, declared Stalin knew that Rev. Stanislaus Orlemanski "represented nobody but himself and could offer him (Stalin) only the benefit of a private opinion."

In criticizing the Springfield priest's recent trip to Moscow, the editorial described Stalin "as calculating and unimpulsive a politician as any in the world" and said the "advised purpose of this mission to Moscow was not the real purpose."

Declaring "religious liberty does not exist in Russia today," the editorial stated that if "the (Stalin) means to allow religious liberty, Pope Pius XI would welcome a mission from Moscow as the answer to the prayers for Russia which Catholics have been offering up for more than 25 years."

Dies Says His Report Will Expose New Deal

Jasper, Tex., May 19 (AP)—Rep. Martin Dies (D-Tex.) who recently announced his decision not to seek reelection, says he is "going to give the people of the United States a clear picture of what has been going on in Washington."

In an interview with a Houston Post reporter at his country home near here yesterday, Dies declared that between June 1 and 15 he intends to put on the desks of American newspaper editors a documented denunciation of the New Deal. He added there would be disclosures more sensational than anything his Congressional committee has ever yet announced.

Dies said they had never been able to convince the people how deadly the Communist menace is, he said, "the elements in the national administration which have hampered and opposed the committee have had too strong a control over the channels of public information."

Aviath Israel Services This Evening

The last of the late Friday evening services for this season will be held tonight at Congregation Aviath Israel at 8 o'clock. The speakers will be the three presidents of the adult organizations of the congregation, Herman Rofelowsky will speak as president of the congregation, Mrs. Meyer Levy as president of the Ladies Auxiliary and Saul Friedman as president of the Men's Club. Today's VICTORY GARDEN-GRAPH

Selling Raspberry Plants in Victory Garden

By DEAN HALLDAY
Released by Central Press Association

THERE ARE TWO general systems of planting and training raspberries with which the Victory gardener should be familiar. One is the hedge-row system and the other one is known as the hill system.

In the hedge-row system, illustrated in the accompanying Garden-Graph, the plants are set in rows which are laid out about seven feet apart. The plants are set two and one-half to three feet apart in the row. This system has the advantage of providing the maximum number of canes for a given area of ground.

Many summer plants are sent up in the hedge-row system and unless these are thoroughly eliminated the planting will soon be

The manager not only found her an apartment promptly but paid the first month's rent.

Record
Avon, Conn.—A trained forest fighting crew was credited with achieving some sort of a record here when it confined a woods blaze to an area of about one acre by quickly organizing a bucket brigade composed entirely of women.

All Quiet
New Haven, Conn.—Westville, scene of New Haven's biggest pre-war traffic jams as crowds thronged to and from the Yale Bowl, is so hushed now that the inhabitants are complaining about an invasion of rabbits. The bunnies have arrived in such numbers that they're raising a hob with the victory gardens.

No Meat Shortage
Philadelphia—Tabby, Mrs. Rachel Walker's cherished cat, solved the meat shortage to her own and her kittens' satisfaction—but not Mrs. Walker's.

Her owner didn't mind too much when Tabby brought home mice and moles, but Mrs. Walker called for help at Tabby's latest tidbit—a wriggling 30-inch snake.

Backward Billy
Chicago—With only three legs to stand on, a small white goat owned by James Furiano is getting along okay, almost as well as goats who have the regular number of appendages.

Chico, born two weeks ago with a right foreleg and two hind legs, has learned to move around with considerable ease.

However, Chico's mode of travel differs from that of other goats in one way—he moved backward.

Music Group Holds Final Meeting of Season

The Music Appreciation Group of the Women's Club held its final meeting until fall at the home of Mrs. Fred Eitel, 83 West Chestnut street, Thursday afternoon. Mrs. Albert Salzman had charge of the program for the day.

As an introduction Mrs. Salzman read a paper giving a brief summary of the type of music for which each of the following composers is most noted: Bach, Beethoven, Brahms, Debussy, Gershwin, Gilbert and Sullivan, Haydn, Victor Herbert, Mendelssohn, Mozart, Schubert, Johann Strauss, Tchaikovsky, Wagner and Rimsky-Korsakov. This was followed with a musical skit using recordings of selections to match various moods in a day. The program included "Stars and Stripes Forever," Sousa; a Strauss waltz; Brahms' Lullaby; Sixth Symphony; Tchaikovsky; Rhapsody in Blue; Gershwin; Ave Maria; Bach-Gounod; and Humoresque, Dvorak.

The meeting closed with a tea. Mrs. Ralph Gregory assisting the hostess by pouring.

Elected D. A. R. Regent

MRS. CLARENCE L. DUMM

Josephine Brescia Is Bride Of Corp. Frederick Pizzuto

The wedding of Miss Josephine Marie Brescia, daughter of Mr. and Mrs. Frank Brescia, Highland, to Corp. Frederick Pizzuto, son of Mr. and Mrs. Benjamin V. Pizzuto, Poughkeepsie, took place Sunday afternoon, 3 o'clock, at St. Augustine's Church, Highland. The Rev. Joseph Gray officiated. Mrs. Pasquale DeBellis was at the organ and Miss Rose Marie Bechelli soloist, sang, "Ave Maria."

The bride was given in marriage by her father. She wore a gown of white slipper satin made with a long train and pearl trimmed bodice. Her three tier veil was caught with lilies of the valley and she carried a bouquet of gardenias and lilies of the valley. Her bridesmaids were Miss Sally Brescia, Highland, Miss Mary Hume, Mrs. William Macgregor Mills, Mrs. John McGraw and Mrs. Lloyd LeFevre.

Delegates and alternates to attend the 49th state conference in Utica next October were also selected. Mrs. Dumm will attend as regular delegate with Mrs. Adam Porter as alternate for regent; Mrs. Charles A. Terwilliger, registrar; Mrs. Lancelotti, alternate; Mrs. Charles Phelps and Mrs. Walter T. Tremper, alternates.

Reports of the National Congress held in New York were given. Miss Isabel Swartz reported for the Junior American Citizens Club; Mrs. Adam Porter for the Junior groups who this year have purchased 456 seeing eye dogs as one of their projects; Mrs. Dumm for the business sessions; Mrs. Mills for the national defense work; Mrs. Mills of the national society taking care of 11,000 English children in nurseries in England and of the 676 radio programs given by the D.A.R. in the past year. Mrs. Mills also spoke of the part that each state society will do in sending cheer to men on an L.C.I. ship named for its state. The mottoes of the retiring president general, Mrs. William R. Pouch, were also given: Courage, enduring faith, and onward Christian women.

A tribute was given to honor Miss Mary H. Baker, who in time of service and membership is the sixth oldest member of the chapter. She became a member October 7, 1897, and resigned because of ill health, December 29, 1943. During her years as member she has served as a recording secretary, historian and member of the local board.

Announcement was made of the annual Memorial Day service at the First Dutch Reformed Church. Members are asked to meet in the vestibule at 10:40 a. m. to attend the regular morning worship service. The Memorial Day service will be held in the church yard immediately following the church service. A wreath will be placed on Governor Clinton's grave in memory of the Revolutionary War dead. The chapter will participate in the Memorial Day parade.

The Hudson Valley Council will meet at Beacon June 7. All members desiring to make reservations must do so by May 28 with Mrs. Mills.

Personal Notes

Miss Janet L. Wagner, 22 Maple avenue, a student at Skidmore College, is attending Spring Day at Cornell University this weekend as the guest of Miss Charlotte M. Cooper, 188 Main avenue.

Mrs. Raymond Waterman of 79 Fairview avenue has received word that her son, Corp. Charles Rosa has arrived in New Guinea.

Miss Virginia Shirley Davis, daughter of Mr. and Mrs. Alvin Davis, 604 E. Bridge, has been given into the Waves as an apprentice seamstress. She has been employed at Craft's Super Market.

Live Yers Visit Hospital

The Live Yers Club made a tour of the Benedictine Hospital instead of holding their regular meeting at the Y.W.C.A. Tuesday afternoon. Several members are interested in nurse's training and so the trip was especially valuable for them. During the past month the club has made several other worthwhile trips about the city which have included the old Senate House and the Kingston House.

Next week the club plans to work on the U.S.A. scrapbooks and also make plans for a week-long trip to the U.S.A. and return by ship.

Cole-Ayers
Miss Delores E. Ayers, daughter of Mr. and Mrs. Elmer Ayers of High Falls became the bride of Walter Robert Cole, motor manufacturer's mate, son of Mr. and Mrs. Harry B. Cole of Branch, Saturday evening, May 13.

The ceremony was performed at 7 o'clock by the Rev. John B. Skele at his home, 198 Washington avenue. The couple were attended by Miss Shirley Ayers, sister of the bride, and Harold F. Bush of High Falls. The bridegroom will report to his ship on the Pacific Coast May 24. Mrs. Cole will reside with her parents in High Falls.

Suggests Canning of Asparagus and Rhubarb

Vegetable counters are piled high now with good fresh vegetables, and the list is growing longer every day. Asparagus is about at its peak now, and the Ulster County Home Bureau suggests that you can use it as possible, especially if you grow your own, because commercially canned asparagus is always very expensive in winter.

Rhubarb is also abundant now and certainly adds a tang to spring meals. Can some for winter pies if you have time these busy days. It can be done without sugar. If you are not sure of your directions, call in to the Home Bureau office and we will send you the Cornell Bulletin called "Home Canning" which gives you full information about different methods of canning.

WOODSTOCK

Woodstock, May 19 — Local plowmen report that the plowing of Victory gardens will be about completed this week. Weather has been very favorable recently for this purpose.

About 25 musicians from Saugerties visited Woodstock on Wednesday to rehearse with the Woodstock Drum Corps. The delegation from Saugerties will join with the band here in the Memorial Day program and parade.

O. W. Mesher who has been serving on the Grand Jury from Woodstock terminated his work in that capacity on Thursday.

Mr. and Mrs. George Schoenmaker and Mr. and Mrs. Irving Friedmanberg also entertained Mr. and Mrs. Fred Toms for supper on at "Home Place" on Sunday. Mrs. Sunday evening.

Decree Is Granted

Marie L. Rothier has been granted an interlocutory decree of divorce from her husband, Henri Rothier, by Justice Pierce H. Russell following trial of the divorce action at the regular May special term held in this city on May 2. Joseph Avis appeared for plaintiff. Married at Kingston, June 29, 1929, the plaintiff is authorized to resume her maiden name, Marie L. Gaubert. Acts upon which the divorce proceeded were brought are alleged to have taken place at Lake Katonah.

Mr. and Mrs. George Schoenmaker and Mr. and Mrs. Irving Friedmanberg also entertained Mr. and Mrs. Fred Toms for supper on at "Home Place" on Sunday. Mrs. Sunday evening.

MISS GOLDIE MARKLE

Mr. and Mrs. John Markle of 95 Boulevard announced the engagement of their daughter, Miss Goldie O. Markle, to Sgt. Arthur E. Lansbury, son of Mr. and Mrs. Eugene K. Lansbury of 15 Stone street, Newburgh.

Miss Markle is a cadet nurse at the Kingston Hospital School of Nursing and was graduated from Kingston High School. Sergeant Lansbury is a graduate of Newburgh Free Academy. Prior to the war he was employed at the Sweet-Orr & Co., Newburgh. He is now stationed in the Hawaiian Islands.

Teachers' College News

The summer session of the New Paltz State Teachers' College will begin Monday, July 3. In line with the times, and in addition to courses regularly offered, the college will offer timely study in such fields as postwar problems; science of the air age; social impacts of aviation on elementary education.

The college presents a program of considerable flexibility. There is the regular six weeks summer program. There is an eight weeks program for freshmen, sophomores and juniors who are accelerating their college study in order to complete their four years of work in three years. And for the teachers of experience there will again be the workshop where, under guidance teachers they can work on individual and specific problems for periods of time ranging from two to six weeks.

A student-faculty committee has completed a program of extra-curricular opportunities for the summer. As in former years there will be a group of children in the School of Practice at work under conditions most profitable for demonstrational purposes. The programs have been so set up that it will be possible to attend the summer session, take a full program of work, and still have afternoons free for the pleasant diversions summer time in New Paltz offers.

The State Teachers' College at New Paltz has organized a local unit of the nation-wide Student Fellowship Movement. This movement is associated with the Danforth Foundation at St. Louis, Mo. Dr. and Mrs. Roland G. Will have been appointed to represent the foundation at New Paltz. Miss Grace L. MacArthur is the group's faculty adviser. The organization has been sponsoring Red Cross activities under the direction of Mrs. Daisy Smith.

At the Student Fellowship Movement Conference held on March 30 and April 1, at Skidmore College, Miss Shirley Culver, a junior at the college, was elected state secretary. Miss Culver, who lives in East Orange, N. J., will be a delegate to the national conference conducted at Lake Forest, Ill., in June.

Friday, May 5, Miss Ruth Havens and Miss Gertrude Thompson, attended the Cooperative School for Teachers at New York University. Saturday they were present at the New York convention of Delta Kappa Gamma at the Essex House.

Wednesday, May 10, Miss Dorothy Giddings, Miss Ruth Jones, Miss Mary Jo Muffy and Miss Gertrude Thompson of the School of Practice, New Paltz and Miss Ruth Havens of the college attended a regional conference at Horace Mann School in which the discussion, centered around the theme new trends in education for four to six year olds.

WRITING PAPER CORRECTLY MARKED

A college girl describes her new writing paper as follows: "It is marked at the top with Betty Smith and underneath this line, the college address. I intend to use it for all general purposes. My roommate says it's incorrectly marked; that it should have been Miss Betty Smith or better still, Miss Elizabeth Smith. Why is this? No one calls me Elizabeth."

The "why" is, that from the standpoint of convention, a name followed by address should be written in full, exactly as an envelope in return should be addressed to you. Also, when using your surname it is in better taste to give your name in full and not use the diminutive. On the other hand, paper marked "Betty" and nothing more is very best taste on paper that is used for letters to personal friends. But "Betty" with an address below would suggest a hat shop or other place of business. If you stamp your full name and address (with a neat rubber stamp) on the face of the envelope, this would comply with post office regulations and make any marking other than Betty superfluous. Or you could (if you never call yourself anything except Betty Smith), print this name on the left side at the top and in a straight line across, the address on the right.

Inviting the Son as Well as the Mother

Dear Mrs. Post: Can it be considered impolite not to include a grown son in an invitation sent to his mother, with whom he lives? I sent my great friend an invitation to a reception and did not include her son whom I know slightly. Someone thinks that I should have asked him out of respect to her.

Answer: The word "reception" suggests a large party which generally includes at least a few persons who are not well known by the hosts. If this describes your reception, then the son should have been invited. If the "reception" was an informal and small gathering of intimate friends it was not necessary to ask him.

Poughkeepsie Will Play Maroons Here on May 23

Locals Will Try to Even Score With Invaders Who Won Previous Game by 2-1

Typical of the Giant-Dodger rivalry in big league baseball is the competition between Kingston High School and Poughkeepsie High School baseball teams. Having lost one game to the Kallochmen the Maroons will have the ancient battle cry "Revenge" on her side as the teams meet in the municipal stadium Tuesday afternoon at 4:30 o'clock.

The preceding match between these two teams was in Poughkeepsie two weeks ago when Johnny Sherman, ace pitcher for the Blue and White, held the Hatchmen to five hits and beat them 2-1. Since he was effective against Kingston the last time Coach Sam Kalloch will probably give him the nod to work again. Local fans will see a fine brand of baseball when these ancient rivals meet again. Although filling the shoes of Don Hempe is a difficult job, Sherman has proved that he can match his opponent in every way. He has a peculiar forward bend in his windup

which reminds one of Monte Pearson, formerly of the New York Yankees, and if he can hold the Maroons as he has been doing all season, a close, exciting game will result.

Silent on Pitcher
Endeavoring to get back at Poughkeepsie and even the score Coach Pete Hatch has kept his starting pitcher a secret. Perhaps "Soup" Campbell who, although he was defeated, pitched fine ball against the Kallochmen allowing only six hits, will get the call. Maybe the veteran ace Jack Watzka will twist again to try to prove that his fine pitching is not just the result of weak batting by the opponents. Since this is not a DUSO game, the untold rookie Cy Brown, may be given his baptism of fire and seek to overcome his hated opponents. However, no matter who takes the hill, nothing can be said for the Maroon mentor is exhibiting a policy of "watchful waiting."

Reliable Infield
Despite being weakened by losing such stars as Hempe, Whelan and Sullivan, Poughkeepsie always puts up a strong team on the field. Possessing a reliable infield of Havens on first, Lackey on second, Ratka, who struck two for three at bat in the previous game, at short, and Baker at third, Sam Kalloch can be well assured that his pitcher will be well supported. The outfield, although good in fielding, is lacking in the thing that it is supposed to do—hit. All three men, Rathbun, Coco, Thompson and Schuman who alternated in right were able to obtain only one hit among them. As to the battery, although no Hempe is to be found, the Poughkeepsie mentor has no fear for if Sherman tries, Eddie Moran the sensational rookie is able to relieve him helped by the capable Andrews catching.

Local Sluggers Ready
Regardless of the strength of the Blue and White, Kingston has no fear of them. With sluggers such as Shotton, Vogt, Schryver and Schoonmaker the Maroon can match the Blue in every department excepting in pitching, where, as the records prove Watzka excels Sherman. As the umpire cries "play ball" at the municipal stadium Tuesday afternoon the most exciting game of the season will commence.

RING FOUND IN BUTTER
A ring missing from the finger of a farmer's wife turned up miles away in the butter served on the table of a home in Polchester, South Africa. A second ring, a signet ring inscribed with the names Gideon and Lily, is still missing. The ring that turned up in the butter is her wedding ring, declares Mrs. L. Thomas.

Bill McKechnie, manager of the Cincinnati Reds, batted .321 in 156 games with Minneapolis in 1921, his last season as a player. It was his best batting mark in organized ball.

LABOR LAW ATTACKED
Some bitter criticisms are heard in Sydney of the Australian wartime labor law. Recently Joan Thompson of Koorah, was fined \$20 for failure to report for work on a textile mill. She was a store clerk for her father, a veteran of the last war. When her brother enlisted in the navy two years ago she took his place in the store. In the same court the following day, Bartolo Borgomano, of King's Cross, was fined \$5 for failing to go to a place he was ordered by the labor commission.

London, May 19 (AP)—Jack London, R.A.F. sergeant, has signed to fight Freddie Mills for the heavyweight title over 15 rounds here July 8. Mills holds a 10-round non-title decision over London but the West Hartlepool giant said he was confident of beating Mills over the longer route. The heavyweight title is now vacant.

Fresno, Calif., May 19 (AP)—Sixty institutions and military bases, with an entry list close to 700, will be represented in the 18th west coast relays here Saturday afternoon and evening. The University of Southern California, winner of 11 titles, will be favored again in the open intercollegiate division.

Chicago, May 19 (AP)—The national bowling spotlight was on Chicago again today as 36 teams, with combined averages of 400 or better, began competition in the second annual national two-man match game championship. The teams will bowl 42 games and the leading four combinations will enter the finals with two pairs of bowlers who in the last year held the national doubles title. They are Ned Day-Rudy Pugh of Milwaukee and Nelson Burton-Frank Mataya of St. Louis, second in the finals.

The Day-Pugh team held a lead of 15 pins in its non-title match with Burton-Mataya after 12 games last night. The final 12 will be rolled tomorrow.

New York, May 19 (AP)—Walter Gibbons of Portland, Me., presiding judge at the Hambletonian and New York trotting meet at Empire City last year, will fill the same position at the night trotting meeting starting May 29 at Roosevelt Raceway, Westbury, L. I.

Associated judges will be New Yorkers Charles Plumb of East Norwich, John A. Cashman of Garden City, John F. Williams of Troy, and Samuel Breidland of Brooklyn.

New York, May 19 (AP)—At the recent Jamaica meeting, 11,087 fans gained free admission to the track through the purchase of \$593,248 in war bonds at booths set up near the entrances.

Oklahoma City, May 19 (AP)—Lou Nova, California heavyweight, has been signed for a 10-round bout with Buddy Scott, Tampa, Fla., here June 2. Promoter G. M. Byerley announced yesterday.

On his comeback trail, Nova won his ninth fight in a row Wednesday night in Tulsa, pounding out a split decision over Jack Marshall, Dallas.

Philadelphia, May 19 (AP)—Twelve teams will participate in the one-mile relay race in the 68th annual IC-4-A track and field championships at Franklin Field here tomorrow.

A sufficient number of heats will be held, starting at noon, to reduce the field to the half-dozen fastest teams entered. Asa S. Bushnell, manager of the meet, said. The final will be held at 4:35 p. m. E.W.T.

West Point's mile relay team which won the event in the Penn relay carnival in 3:21.1 is regarded as the favorite.

The other teams entered are Colgate University, C.C.N.Y., Columbia University, Cornell University, Dartmouth College, Annapolis, N.Y.U., the University of Pennsylvania, Penn State College, Princeton University and Villanova College.

Chicago, May 19 (AP)—If anyone's offering a conservative statement of the week prize, the first man in line for it should be Lou Viscusi, manager of 21-year-old Willie Pep, world's featherweight champion (New York brand). Pep meets Frankie Ru-

S.E.C. Conference To Have 11 Teams On Field in Fall

Jackson, Miss., May 19 (AP)—The Southeastern Football Conference, blighted by war drains on its manpower since Pearl Harbor, plans to field teams from 11 of its 12 schools this fall.

Vanderbilt alone probably will not take on Conference teams. Mississippi State and the University of Mississippi were authorized yesterday by the Mississippi board of trustees of institutions of higher learning to complete grid schedules and plan their 1944 football year. The board lifted a war duration ban on intercollegiate athletics.

Only four S.E.C. teams played a full 1943 schedule Georgia, Georgia Tech, Tulane and Louisiana State. L. S. U. and Georgia Tech, however, gained post-season bowl bids, beating Tulsa, 20 to 18, in the Sugar Bowl, and Louisiana State downing Texas A. and M., 19 to 14 at Miami's Orange Bowl.

Kentucky, Tennessee, Florida, Auburn and Alabama, missing from the S. E. C. football picture last year, have announced intentions to resume play this fall. Vanderbilt expects to play only "informal" games.

Coaches of the 11 schools aren't at all talkative about available material, but evidently their hopes are being built around youngsters, 4-F's and discharged veterans.

Tiny Tots, Kingsleys Are Now in Softball Tie

Wednesday evening at Block Park the third in a series of softball games was played between the Tiny Tots and Kingsley Fashions, the Tiny Tots being the victors 16-8. Each team now has a victory to its credit, one game ending in a 9-0 deadlock.

The batteries for Kingsley's were Shirley Lucas, tossing them over the plate, with Catherine Elliott catching. For the winners Frieda O'Neill hurled the slants over the plate with Helen Cameron receiving.

The game was packed with thrills from the opening pitch. For the losers S. Lucas stood out as the star, batting out two homers, while E. Wirsching starred in the infield. For the winners F. O'Neill, Kay Bunce and H. Cameron took the honors.

These two teams will meet again next Tuesday evening at Block Park in the rubber game. They also send out a challenge to any of the other factories that have a girl softball team.

The lineup for last night's game were: Tiny Tots—Helen Cameron, c; Evelyn Rose, 3b; Kay Bunce, 2b; Katherine Binger, 1b; Ann Amato, cf; Jean Hotelling, ss; Ruth Williams, rf; Frieda O'Neill, p; Theresa Williams, if.

Kingsley Fashions—Elsie Wirsching, 1b; Virginia Lucas, ss; Mattie Miller, 2b; Shirley Lucas, p; Catherine Kline, 3b; Harriet Diers, cf; Dolores Costello, rf; Catherine Elliott, c; Mary Hunt, if.

German Deny Any Adolf Hitler Line

New York, May 19 (AP)—A German broadcast assertion that there is no such thing as an Adolf Hitler Line in Italy was echoed today by the Nazi-controlled Rome radio.
The Office of War Information said Rome, following in the path outlined yesterday by the Berlin radio, had declared:
"Enemy propaganda statements that the Adolf Hitler Line has been reached and passed are pure imagination, since such a defense line has never existed anywhere on the Italian front."
"It is true on the other hand, that during the fighting in the past few hours the Allies and their mercenaries have been unable to prevent German units from reaching in perfect order lines farther to the rear, which were prepared some time ago."

HIGHLAND

Highland, May 19—At the meeting last week of the P.E.O. Sisterhood in Hotel Commodore in New York, Mrs. Gordon E. Wilcox was elected state organizer. Mrs. Wilcox was recording secretary last year. The state now has 26 chapters and at the convention there were 68 voting delegates with some 200 attending the banquet with Mrs. Ruth Bryan Rhoads the guest speaker. There are now 80,000 members of an organization which started in 1889 with seven members.

Attending the Matrons Club Tuesday evening in New Paltz when Mrs. Minnie Schmalkuche and her daughter, Miss Violet Schmalkuche entertained was Mrs. Clarence Rathgeb, Mrs. Henry Maynard, Mrs. Bertram Cottle, Mrs. Elmer Bradshaw and Misses Rose Symes and Anna Squiers.

Miss Emily J. Bradshaw of Kingston spent Sunday here with her mother.

Mrs. William Waterbury went to Ellenville Wednesday for a couple days with Mr. and Mrs. Clyde Matthews and son.

Simon Dubiner of Kingston was the guest speaker Monday evening for the Lions Club at their dinner meeting at the Lorraine. He is chairman of the Old Age and Survivors Insurance, better known as Social Security. He gave his hearers much information. William Coy, chairman of the nominating committee gave his reports as follows: Lloyd Reese, president; Marvin Dayton, first vice president; John Bruckelcher, second vice president; Albert Les-Langdon, secretary and treasurer; directors, John J. Gaffney, Irving B. Rathgeb, William Denby, Dr. Victor Salvatore. The election will take place June 19 and an installation dinner is being planned. Irving Rathgeb as chairman of the postwar planning committee reported he had written Albany for information as to the remodeling or construction of a community building. The secretary, Martin Dayton, was instructed to write the Rev. Devello S. Haynes that the club very much regretted his leaving this community. Webster Langdon, Red Cross chairman reported that the Town of Lloyd Isted Cross fund would go over the top. The club was informed of the need of glasses for a child and have responded by their purchase. Attending was president, John Gaffney, John Bruckelcher, A. H. Campbell, William Coy, Martin Dayton, Albert and Webster Langdon, Walter Margraf, Lloyd Reese, I. B. Rathgeb, John F. Wadlin. Lieut. Richard Waring Lent, son of Mr. and Mrs. H. A. Lent, has been commissioned second lieutenant in the Army Air Force. Young Mr. Lent graduated from the New Paltz High School, attended Raymond Gordon School and Union College when in his junior year he enlisted in May 1942. His training began at Atlantic City, then Syracuse University, Harrington Gunners school in Texas and is now a qualified aerial gunner. He is rated a sharp shooter. He later graduated from the navigator's school, San Marcos, Texas, and is now at Gowen Field, near Boise, Idaho. Miss Jean Seaman has completed this year's studies at Russell Sage College, Troy, and is home for vacation.
